Reference: Disallowance of two(2) point reduction-18 U.S.C. §3582(e))
Case No:2:10-CR-575-JCM-VCF

Dear Honorable Judge Mahan,

It is such a pleasure to be writing you this missive today. As you can ascertain from the above name, I was a defendant in your court room a couple of years ago and I was convicted for a drug offense and I am currently serving my sentence at the above institution in California.

My main reason for writing you this missive today is because as you may have heard, under the 2-point-offense-level, inmates could file for relief to get a sentence reduction under 18 U.S.C. §3582(e)).However and unfortunately, for some strange reason, I was informed that I would not be eligible to receive this two point reduction irrespective of the fact that I was a minor participant and the my two other codefendants have already received the reduction.

My missive to you is to inquire why I did not get this two point reduction and for your organization to look into this matter as they may be an error in my computation process. I would also like to use this opportunity to kindly request that if any merit is found as to me being able to get this reduction, that the court should go ahead and file it for me on my behalf.

I would want to use this opportunity to thank you for your help and understanding in this matter of great importance to me and I hope to hear from you in the future. Have a great day!

Respectfully submitted,

Ruben Perez Cruz
